

Dear Colleagues:

The I2MTC Board of Directors is soliciting bids for I2MTC 2027. The Board is seeking to continue our great record of exciting venues and geographical diversity. Organizers interested in bringing the flagship conference of the Instrumentation & Measurement Society to your part of the world are encouraged to submit a Letter of Intent!

Please review carefully the [Bid Document](#) and the [I2MTC Bid Letters of Intent \(LoI\) Information](#). This has all the information needed to complete the bidding process.

Please note the following IMPORTANT DATES regarding the bidding process:

**Letters of Intent are due by December 31, 2023.**

**Those selected to submit formal bids will be contacted and will have until March 1, 2024, to submit the full bid.**

If you have any questions about this process, please contact Madison Musselman, [mmusselman@conferencecatalysts.com](mailto:mmusselman@conferencecatalysts.com).

Best regards,

Steve Karlovic  
Chair, I2MTC Board of Directors
